## COZY HOMES.

The discovery of a new wick princi-

ple—so effective and yet so simple

that it is a wonderful one thought of

it before—has so revolutionized the

manufacture of heaters and lamps

that explosions, smoke and smell,

caused by imperfect wick arrange-

ment may safely be regarded as

things of the past.

This wick attachment is to be found

on the Perfection Oil Heater. Inter-

esting tests show that, although the

heater gives intense heat, the wick

cannot be turned too high or too low

—absolute safety being assured. One

other feature which is worthy of men-

tion of the smokeless device which

prevents all smoke and odor. The

portability of the heater also com-

mends it for general household use.

Heater is very light and can be easily

carried about. Its simple operation,

useful in heating water and warming

cold rooms make it a most handy and

useful article in any home. This

heater is so far superior to other oil

heaters, and is of such fair price that

its universal adoption is but a matter

of time.

The Perfection Oil Heater and the

Rayo Lamp form a combination that

for real home comfort cannot be

lamp for all-round household use.

Is equipped with the latest improved

burner, and gives a bright, steady

light of time.

The Rayo Lamp, which is made by

the manufacturers of the Perfection

Oil Heater, is without doubt the best

light at small cost. Suitable for any

room, whether library, dining-room,

bath, or bedroom.

For Rent—Furnished room with

bath. Gentleman only. Apply at

607 west Spear street.

Wanted:—A load of nut pine or

limb wood; apply this office.
